TVP (Technology Vouchure Programme) was launched to subsidise non-listed enterprises to improve productivity, or upgrade or transform their business processes with technological services and solutions. The funding ceiling per applicant has been increased to \$600K and the maximum number of approved projects has also been increased to six. The programme is open for application throughout the year. Applied in the TVP, EaseSales helps organizations accelerate their digital evolution and to optimize enterprise communications through an integrated portfolio of Online Store, Mobile App and POS system. Our EaseSales ERP Solution enable retailers to manage Stock, Sales, Membership and Marketing Communications.

How to apply TVP with EaseSales
